Thriving Beyond the Desk: Building a Successful Actuarial Career Without Losing Yourself

ASABA × Liberty Webinar Series

Our featured speaker, Tlou Thema (FASSA, CERA), is Chief Specialist: Reinsurance at Standard Bank Insurance and Asset Management. A qualified actuary with deep expertise in reinsurance and risk management, Tlou is also a mentor, advocate and avid runner who believes in living fully while creating space for future actuarial talent.

In this session, we'll explore what it takes to build a rewarding career in actuarial science, how to excel in the specialised field of reinsurance, what leadership looks like beyond technical expertise, how to prioritise wellbeing while pursuing excellence, and why mentorship, resilience and giving back matter so much along the way.

Don't miss this inspiring discussion, secure your spot today.

NH Johannesburg Sandton

Save the date. It’s going to be a day of inspiring conversations, meaningful connections, and empowering the next generation of Black actuarial professionals.

Call for Volunteers: “A Day in the Life of an Actuary” Series

We’re looking for volunteers to be featured in our new “A Day in the Life of…” series on the ASABA Instagram page!

Whether you’re a Student, TASSA, AMASSA, or FASSA, we’d love to showcase your journey. We are looking for members across all disciplines - life insurance, short-term insurance, investments, banking, pensions, healthcare, data science, and beyond.

This is a great opportunity to give students and fellow members an authentic glimpse into your day-to-day work, share your career journey, and inspire the next generation of actuaries.

If you’d like to be featured, please email communications@asaba.co.za. We’d love to hear from you!

Help us showcase the diversity of actuarial careers - one day at a time.
